ATLANTIS GODELLO 2018

Fine and delicate, floral and silky.

ORIGIN

In our eagerness to explore, in 2014 we began a journey in search of the areas with the greatest potential for white wines in Spain. Raúl Acha, technical director, and Richi Arambarri, our CEO, set their sights on the north, on those DOs that stand out for their freshness, as they are strongly influenced by the Atlantic climate.

For the Atlantis collection, the selection included four small regions with little international projection but with extensive history and ample capacity to compete with the best white areas in the world: Rías Baixas, Ribeiro, Valdeorras and Txakoli de Álava. There we produce the four Atlantis wines using native varieties: Albariño, Treixadura, Godello and Hondarrabi Zuri.

The Godello de Valdeorras was for us the discovery of one of the most interesting varieties in Spain, as regards white wines to elaborate a more complex and structured, more gastronomic wine.

2018 VINTAGE

Very wet year. The good temperatures in the months of summer favored a good sanitary state of the grape and a perfect maturation. It was a very good vintage in the Atlantic area.
