

ATLANTIS

by Maetierra

ATLANTIS ALBARIÑO 2022

Fruity, fresh and aromatic.

ORIGIN

In our eagerness to explore, in 2014 we began a journey in search of the areas with the greatest potential for white wines in Spain. Raúl Acha, technical director, and Richi Arambarri, our CEO, set their sights on the north, on those DOs that stand out for their freshness, as they are strongly influenced by the Atlantic climate.

For the Atlantis collection, the selection included four small regions with little international projection but with extensive history and ample capacity to compete with the best white areas in the world: Rías Baixas, Ribeiro, Valdeorras and Txakoli de Álava. There we produce the four Atlantis wines using native varieties: Albariño, Treixadura, Godello and Hondarrabi Zuri.

In Condado de Tea, where Atlantis Albariño was born, Raúl and Richi found the vineyards to obtain an Albariño that represented the authenticity of the variety but with a balanced style and very apt to conquer the palates of consumers around the world.

D.O. Rías Baixas

AWARDS

Gold Medal
Wine Contest Sub-30
2018.
2017 vintage.

Silver Medal
Mezquita Awards
2015.

TECHNICAL INFORMATION

Varieties: Albariño.

Vineyard: Vineyards are located in Condado de Tea, on the right bank of river Miño, between 100 and 250 meters above sea level, on slopes with an average gradient of 10 %. The soil is sand with a granite subsoil.

Harvest: Manual harvest in small boxes in September. Grape selection in the vineyard.

Winemaking: Controlled fermentation in vats at low temperature (18°C). Ten weeks of aging on lees in the vats.

Alcohol Content: 13% Vol.

TASTING NOTES

Colour: Elegant and clean lemon yellow colour.

Nose: Very intense and persistent aroma. Reminiscent of green apple and tropical fruits, such as pineapple and mango.

Palate: Long and persistent with a perfect acidity that matches its body, making it a very pleasant wine full of sensations.

2022 VINTAGE

Spectacular vintage in Galicia, thanks to the dry summer that prevented any sanitary problems in the grapes. There was a brief vegetative break due to excess heat, which was resolved thanks to the rains in September. The grapes arrived at the winery in a perfect state of health and the wines were very aromatic and complex, with good structure and a slightly higher alcohol content than usual in Rías Baixas.
