EL PACTO

2021

Viñedos El Pacto is a journey back to the roots of the most authentic Rioja—a commitment to reviving village wines and traditional viticulture. This Vintae project was born in Alto Najerilla and Sonsierra, two historic regions where old vines have thrived for generations, cultivated with deep respect for nature's rhythms. Here, the vineyard comes first, with every plot preserving biodiversity and safeguarding a unique genetic heritage passed down through time, capturing the purest expression of its origin.

El Pacto de la Sonsierra is a red wine made from nearly thirty organically farmed plots located primarily in Baños de Ebro, with others in Villabuena de Álava, Navaridas, and San Vicente.

TASTING NOTES

Visual: Deeply colored, with high density and concentration. Attractive violet and red hues stand out, reflecting youth, freshness, and intensity.

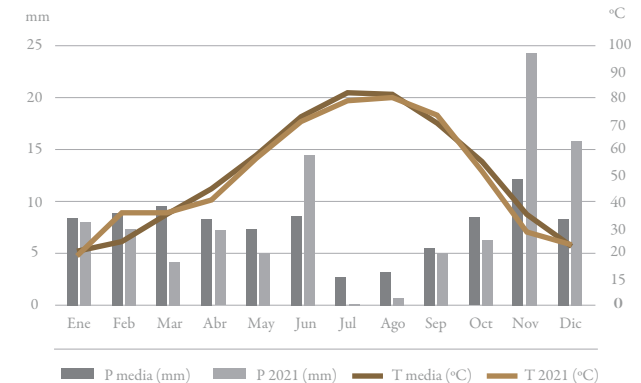

Nose: Intense and immediately expressive, with a clear and direct character. A complex aromatic profile unfolds, led by ripe forest fruits such as blackberries and blueberries, accompanied by notes of licorice, underbrush, and a spicy background with subtle hints of chocolate that add depth and elegance.

Palate: Full and well-balanced on the palate. Its robust structure is surprisingly fresh, offering a silky and enveloping texture. Fruit flavors return with intensity, well-integrated with oak-aged notes such as soft toasts and spices, leading to a long and harmonious finish.

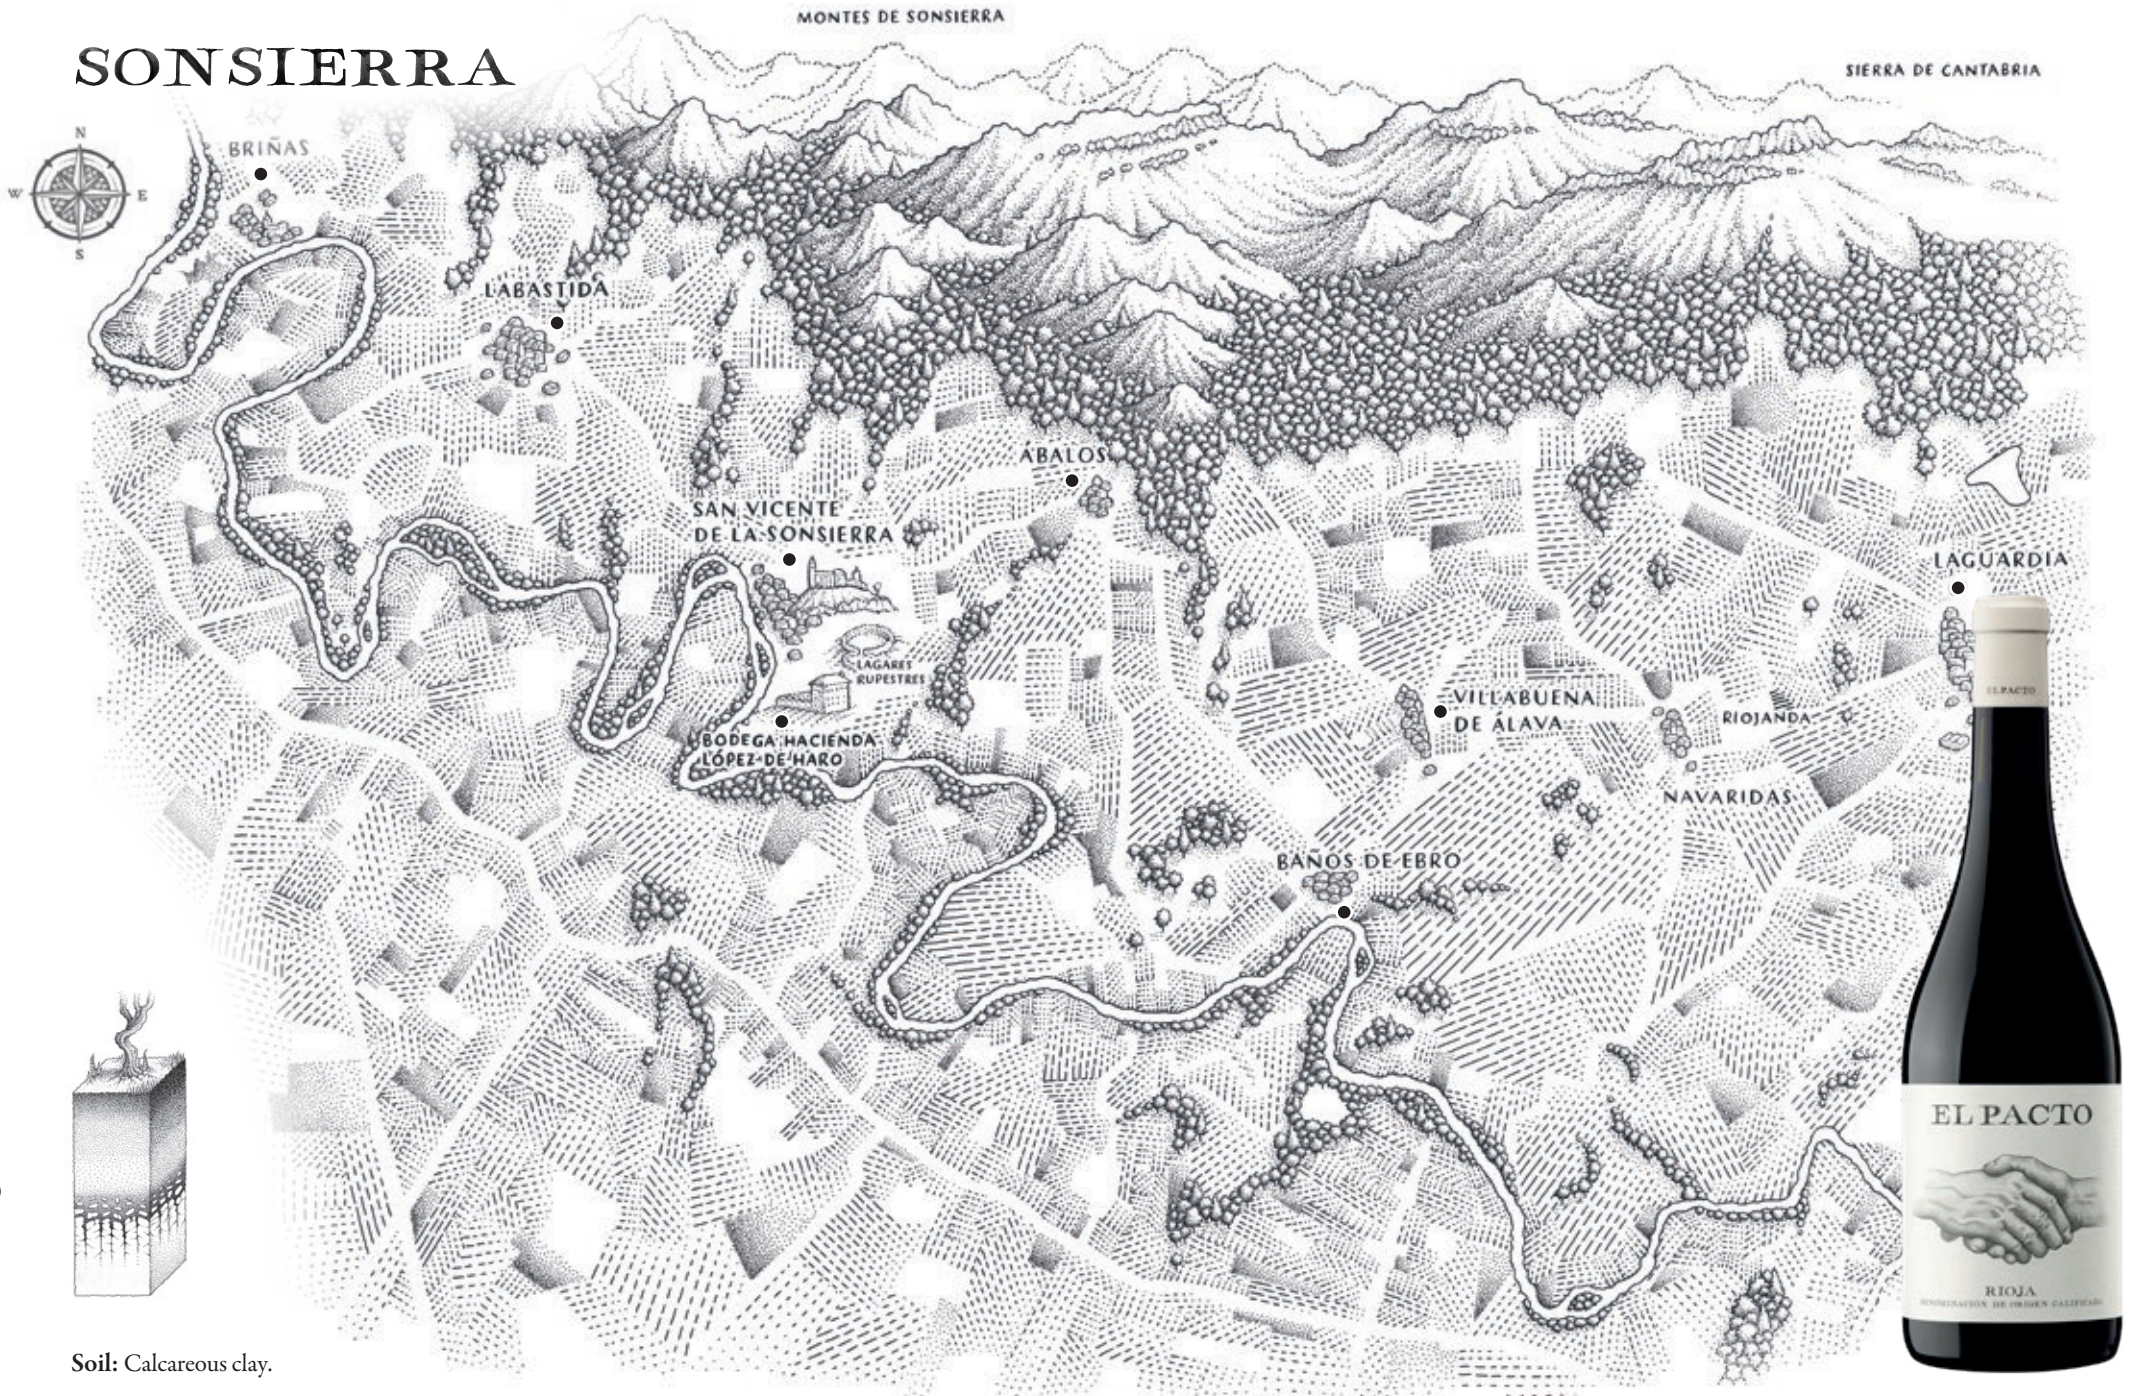

Vintage 2021

With abundant spring and September rains, the arrival of dry, stable weather during the final ripening stage led to a dream vintage. The harvest was slightly shorter than the previous year, and the grapes reached the winery in perfect health, showing excellent balance, concentration, and aromatic richness.
